### Project Title: Marilyn Monroe

I'd like to build this site as multiple pages, rather than a long, single page website.

I'll have a site navigation across the top of the page but below a huge picture of Marilyn that fits across the top section of the page.

There are definitely plenty of content and pictures to use in all the individual pages.

- **Home Page/Introduction** – Introduce basic overview of Marilyn Monroe and why she was such an iconic figure.
- **Breakthrough Years**
- **Star Image**
- **Career Decline and Death**
- **Legacy**
- **Sources** – this page will just list sources, including the Wikipedia page, as well as other sources for photography, and any other credits that need to be provided.
